Dear Mr. Waxweiler:

The U.S. Army Corps of Engineers, Chicago District, has authorized the above-referenced project under the Regional Permit Program (RPP). Enclosed is your copy of the executed RPP Permit authorization.

This verification expires three years from the date of this letter, and covers only your project as described in your notification and as shown on the plans entitled "Culvert Replacement Plans for Proposed Oak Street over Fiddymont Creek" dated July 22, 2004, prepared by Teng & Associates, Inc. If the design, location, or purpose of the project is changed, you should contact this office to determine the need for further authorization.

Once you have completed the authorized activity, please sign and return the enclosed compliance certification. If you have any questions, please contact Melyssa Cruz of my staff by telephone at (312) 846-5532.

Sincerely,

A handwritten signature in dark ink, appearing to read "Keith L. Wozniak".

**REGIONAL PERMIT PROGRAM****AUTHORIZATION**

PERMITTEE: Lockport Township
APPLICATION: 200401023
ISSUING OFFICE: U.S. Army Corps of Engineers, Chicago District
DATE: 22 Oct 04

You are hereby authorized to perform work in accordance with the terms and conditions specified below. This verification expires three (3) years from the date indicated above.

Note: The term "you" and its derivatives, as used in this authorization, means the permittee or any future transferee. The term "this office" refers to the U.S. Army Corps of Engineers, Chicago District.

PROJECT DESCRIPTION: Request Authorization to Impact 0.007 Acres of Wetland for the Construction of Two Box Culverts over Fiddymet Creek on Oak Street Between Circle Drive and Elm Street in Lockport, Will County, Illinois, as described in your notification and as shown on the plans entitled "Culvert Replacement Plans for Proposed Oak Street over Fiddymet Creek" dated July 22, 2004, prepared by Teng & Associates, Inc.

PROJECT LOCATION: Over Fiddymet Creek on Oak Street Between Circle Drive and Elm Street in Lockport, Will County, Illinois. (Ne quarter of Section 13, Township 36, Range 10)

GENERAL CONDITIONS: The above described work is authorized under the terms, conditions and requirements of Regional Permit and shall follow the General Conditions outlined in the Regional Permit Program dated March 1, 2001.

SPECIAL CONDITIONS: To ensure that the activity has minimal individual and cumulative impacts, the following special conditions are required:

-2-

1. This authorization is based on the materials submitted as part of application number 200401023. Failure to comply with the terms and conditions of this authorization may result in suspension and revocation of your authorization.
2. The time limit for completing the authorized work ends three years from date of issuance. If you find that you need more time to complete the authorized activity, submit your request for a time extension to this office at least two months before the above date is reached.
3. You shall comply with the water quality certification issued under Section 401 of the Clean Water Act by the Illinois Environmental Protection Agency for the project.
4. This permit does not authorize temporary construction activities, including access roads and cofferdams.
5. You shall undertake and complete the project as described in the plans entitled "Culvert Replacement Plans for Proposed Oak Street over Fiddymont Creek" dated July 22, 2004, prepared by Teng & Associates, Inc. including all relevant documentation to the project plans as proposed.
6. Throughout the duration of construction activities, you shall adhere to all soil erosion and sediment control measures determined to meet technical standards by the Will County Soil and Water Conservation District.
7. You are responsible for all work authorized herein and for ensuring that all contractors are aware of the terms and conditions of this authorization. A copy of this authorization must be present at the project site during all phases of construction.
8. You shall notify this office of any proposed modifications to the project, including revisions to any of the plans or documents cited in this authorization. You must receive approval from this office before work affected by the proposed modification is performed.
9. You shall notify this office prior to the transfer of this authorization and liabilities associated with compliance with its terms and conditions. The transferee must sign the authorization in the space provided and forward a copy of the authorization to this office.

11c,

OTHER INFORMATION:

1. This office has authority to determine if an activity complies with the terms and conditions of the Regional Permit Program (RPP).
2. Limits of RPP authorization:
 - a. This authorization does not obviate the need to obtain other federal, state, or local authorizations required by law.
 - b. This authorization does not grant any property rights or exclusive privileges.
 - c. This authorization does not authorize any injury to the property or rights of others.
 - d. This authorization does not permit interference with any existing or proposed Federal project.
3. Limits of Federal Liability. The Federal Government does not assume any liability for the following:
 - a. Damages to the authorized project or uses thereof as a result of other authorized activities or from natural causes.
 - b. Damages to the authorized project or uses thereof as a result of current or future activities undertaken by or on behalf of the United States in the public interest.
 - c. Damages to persons, property, or to other permitted or unpermitted activities or structures caused by this authorized activity.
 - d. Design or construction deficiencies associated with the authorized work.
 - e. Damage claims associated with any future modifications, suspension, or revocation of this authorization.
4. Reliance on Applicant's Data. The determination by the issuing office that this activity complies with the terms and conditions of the RPP was made in the reliance on the information you provided.
5. Reevaluation of Permit Decision. This office may reevaluate its decision on this authorization at any time the circumstances warrant. In addition, this office may reevaluate the determination that the project qualifies under a RPP.
